CIRCULAR

Subject: Creation of Academic Bank of Credits (ABC) ID by MBA (FM) and MBA (F) Program Participants

Reference: JNU Letter No: JNU/D&RIS/JNU/NAD/2024 dated 27th December 2024

This is to bring to your attention the directive received from Jawaharlal Nehru University (JNU) regarding the mandatory creation of **Academic Bank of Credits (ABC) ID** by all students (participants) of MBA (FM) and MBA (F) where degree awarding institution is JNU. This is a necessary step for integration with the NAD/DigiLocker platform, as per the guidelines issued by the University Grants Commission (UGC) and the Ministry of Education.

In compliance with these guidelines, all program participants of MBA (FM) and MBA (F) are required to:

1. **Visit the official ABC portal at <https://www.abc.gov.in/>**
2. **Create an account as a "Student" on the portal.**
3. **Complete the process of creating their ABC ID as instructed on the website.**

The Program **Coordinator** of **MBA (FM)** and Program Director **MBA (F)** are requested to:

1. Notify all program participants regarding this requirement.
2. Ensure that participants complete the process at the earliest.
3. Compile and collate the list of **ABC IDs** generated by the students.
4. Submit the compiled list to the Examinations Cell by **January 15, 2025** as per the following format:

Sl. No.	Enrolment Number	Batch (YYYY-YY)	Name of Participant	Mobile Number used in ABC Id creation	ABC ID Number

This task is **URGENT** and **MANDATORY** for all program participants. Non-compliance may lead to administrative delays in processing academic records.

We solicit your immediate attention and cooperation to ensure timely compliance.
